The Committee reviewed the status of the mural restoration project. The National Endowment for the Arts (NEA) has informed us that our grant proposal has passed the first round. We are in the process of obtaining letters of support to supplement our proposal. This grant proposal is for \$40,000 and would cover all costs associated with restoration.

**February 27, 2010 Event**

The Committee discussed the February 27, 2010 Library fundraising event. The Committee reviewed the budget, food, and author merchandise in detail. Eighty-five tickets have been sold thus far; ticket sales will be capped at 120 due to space limitations. Mrs. Van De Carr will email City officials to inform them that ticket sales are going quickly. Background music for the event will be provided via the Library sound system; Ms. Gocheski will be picking Jazz selections for the music. Mrs. Harrison will make calls to the florists next week. There will be one advertisement in the newspaper; the original plan called for three weeks of ads but due to strong ticket sales there will only be one.
