Help us design our Summer Reading Club bookmarks! Please draw your design by hand using markers, pencils, or crayons. (No computer-generated designs will be accepted). Library staff will choose five favorites from each age category and then it's up to you! Watch our website and newsletters for information on how you can vote online for our four winners: two adult artists and two younger artists.

Submissions are due at the Children's, Teen, or Reader Services desks by Sunday, June 11.

Thank you for sharing your talent with us!
