How to…

Use Your Smartphone as Your Library Card

1. Install the Key Ring app onto your device.

2. Open Key Ring and touch the **Add New Card** box

3. Scan your library card barcode

4. Under store name touch **Select a Store**

5. Touch **Other Store Not Listed**

6. Type in Park Ridge Public Library and touch **Next**

7. You will then have the option to scan the front/back of your library card or skip for now

8. Success! Your Park Ridge Public Library card is stored!
