VICE-PRESIDENT'S REPORT

Vice-President Kiem stated that the following three trustees will serve on the Nominating Committee which will meet in July to develop a slate of officers once the new Board is constituted. Those to serve on the Nominating Committee are Vice-President Kiem, Trustee Rapisand and Trustee Thiagarajan.

SECRETARY'S REPORT

Secretary Powers reviewed the Secretary's report included in the packet on page 12, noting Library website News items and press articles about the Live on the Lawn event and the measure signed into law by Governor Pritzker to prevent book bans. She also noted a letter included in the packet from Secretary of State Giannoulias that awards the FY2023 Per Capita Grant to the Library in the amount of \$58,492.60.

DIRECTOR'S REPORT

Director Bertucci followed up on the article included on page 14 of the packet that discusses HB2789 which amends the Illinois Library System Act, noting that Boards that do not adopt the ILA Freedom to Read policy may be ineligible for future grant funds. She explained that the PRPL Collection Management Policy does endorse the ILA Freedom to Read and Freedom to View policies. The Illinois State Library will now develop standards based on the new legislation and she will bring these back to the Board for discussion. Vice-President Kiem asked how many challenges PRPL has received and Director Bertucci stated that there have been no formal book challenges received. There have been several FOIA requests seeking information about Library programs and titles in the Library's collections.

Other notable items from the Director's report include

- Progress on the Lead Green strategic plan initiative included a \$500 grant that Laura Scott applied for and was awarded from the Solid Waste Agency of Northern Cook County (SWANCC). The Library will be purchasing a thermal camera for the Exploration Library with the funds. As part of the grant agreement, the Library will also host at SWANCC education program.
- AT&T was on-site this past week to run fiber from the street to the Library's server room as part of the copper to fiber migration project.
- The Youth Services staff were out in the community during the month of May to promote the Summer Reading Clubs. Staff made 152 visits and contacted more than 5,000 students while visiting every classroom and school in Park Ridge either in-person or virtually.
- The first Volunteer Appreciation Tea since 2019 was held in May. It was an interdepartmental collaboration to host the event to show the Library's appreciation for all that our volunteers contribute.

LIBRARY STAFF PRESENTATION – LAURA SCOTT, ADULT SERVICES MANAGER

Ms. Scott made a presentation providing an Overview of the Library's Digital Collections. She provided information on each of the digital platforms offered by the Library: Libby/Overdrive, Axis 360, Hoopla, Kanopy, and Flipster. The presentation included information on licensing agreements, usage statistics and pricing structures. Ms. Scott replied to questions from the trustees regarding promotion for digital resources, demand for digital vs. print resources, and pricing differences between print and digital resources. The Board thanked Ms. Scott for her informative presentation.

CONSENT AGENDA

President Thiagarajan read the list of items on the Consent Agenda and stated that if a trustee(s) would like an item removed from Consent, the item will be removed for further discussion after the Consent Agenda is approved. Vice-President Hanba asked that approval of the minutes from the June, 2023 Board Minutes be removed from Consent so that newly appointed Trustee De Frank may vote on the remainder of the Consent Agenda.

The following items are now included on the Consent Agenda:

- Ratify Bills Payable Warrant Register for Period 6, FY23 June 2, 2023 in the amount of \$86,071.78, June 16, 2023 in the amount of \$434,069.01 and June 30, 2023 in the amount of \$136,043.35.

PRESIDENT'S REPORT

President Thiagarajan thanked Trustee Hanba and all of the officers from the 2022/23 year for their hard work and leadership.

SECRETARY'S REPORT

Secretary Powers reviewed the Secretary's report included in the packet on page 101, noting Library website News items and press articles.

DIRECTOR'S REPORT

Director Bertucci welcomed Trustee De Frank to the Board and thanked former President Hanba for her thoughtful advice and supportive leadership. She stated that she is looking forward to working with President Thiagarajan and the Board on the upcoming year's initiatives.

Highlights from the Director's Report beginning on page 103 of the packet were noted. Among the highlights is a meeting with Chris Lipman, the City's Finance Director and other members of City staff to discuss posting of the Library's payroll entries in the General Ledger and also the timelines for the FY24 budget cycle. Director Bertucci directed the Board's attention to the charts on p. 105 of the packet that provide data for 2022 and 2023 YTD on circulation, door counts and number of cardholders. Also reviewed was a 5 year analysis of print vs. digital circulation. Also of note is that the Library is developing a starter collection of materials in the Ukrainian language to enhance our world language collection which currently includes materials in Spanish and Polish.

2023 EXTERIOR IMPROVEMENTS PROJECT

Director Bertucci directed the Board's attention to the memo on page 108 of the packet from Green Associates. The memo provides information on the scope review work that they completed which resulted in the apparent low bidder withdrawing their bid due to the fact that they omitted bidding on a significant portion of the work. Green then conducted a scope review with Stuckey Construction, the next lowest bidder and is now recommending that the project contract be awarded to them. Director Bertucci noted her agreement with Green's recommendation to accept the base bid along with Alternates 1 and 2. She stated that she feels this will be the most cost effective approach to completing the necessary work. She then reviewed a handout that provides an update on the Library's Fund Balance if this work is undertaken and stated her opinion that the Library will continue to have a sufficient Fund Balance and Capital Budget for remaining projects.

Trustee Hanba made a

MOTION: To accept the bid from Stuckey Construction Company for the 2023 Exterior Improvements project to include the base bid of \$252,700, Alternate 1 for \$23,700 and Alternate 2 for \$47,700 for a total contract award of \$323,400

Memo Date: August 4, 2023

From: Joanna Bertucci, Library Director

Meeting Type: Personnel Committee of the Whole Meeting

Meeting Date: August 8, 2022

Action Requested: For review and approval Subject: FY2024 Salary Plan

Background:

The HR Source Salary Survey Report for Library compensation is published annually in July. The most recent data was used to benchmark salaries for FY24 and update the Library's pay grade and scale in alignment with the Library's job descriptions that were developed in 2020. Additional changes to job descriptions have been made since I started in summer 2021 to align with changes primarily in the Youth Services, Adult Services, and Administration departments. In FY24 the Management Team will undertake a comprehensive review of job descriptions library-wide.

I have updated the Library's benchmarking rubric to take into account updated salary ranges, new job descriptions and internal restructuring that occurred since salaries were previously benchmarked. Data used to develop the pay grade and scale for FY24 was aged 10 months (March – December) to yield more accurate benchmarks, as survey data collected is based on employee wages as of March 1, 2023.

Compensation Philosophy:

Park Ridge Public Library recognizes the essential role staff has in furthering the mission and vision of the Library and in achieving the Library's strategic goals. The Board of Trustees and Administration are committed to maintaining an internally equitable and externally competitive compensation structure that will enable the Library to recruit and retain a staff of highly proficient and qualified employees and reward high-performing employees at all levels.

Park Ridge Public Library will establish and maintain pay ranges based upon internal equity and externally competitive guidelines with a base pay minimum and maximum for all pay ranges.

- 1. Internal equity refers to the constant effort to ensure that pay is managed fairly across all employee pay ranges. Staff will be paid within the pay range for the pay grade of their position.
- 2. In determining an employee's rate of compensation within their assigned pay range, Administration may consider the employee's performance, contribution, education, experience, and the requirements for the position.
- 3. Merit increases will be reviewed annually. Merit increases or one-time awards may be given to staff who demonstrate satisfactory job performance in their annual performance review and attain performance goals set forth in the prior year's annual performance review.
- 4. The Library seeks to provide competitive salaries across all jobs—defined as sufficiently close to the median of the local library competitor market to continue to attract and retain superior staff.

The Library's compensation structure includes competitive benefits for eligible staff including: health, dental, vision and life insurance; paid time off and paid holidays; and enrollment in the Illinois Municipal Retirement Fund. Training is available and encouraged for all positions.

- 5. Individual employee's eligibility for benefits is dependent on hours worked, length of service, and other factors. Not all employees qualify for all benefits offered.
- 6. The Library seeks to ensure that benefits are offered and managed fairly across all positions.
- 7. The Library encourages employees in developing and maintaining competitive skill levels through support of training initiatives and learning opportunities, ensuring that necessary skill sets are developed. The Library endeavors to allow time and financial support to enable staff to attend approved training.

External Factors:

Since 2020 the labor market continues to pose challenges to employers, including a tight labor market and low unemployment rates. The unemployment rate for the Chicago/Metro area is currently 4.3%, down from 5.3% in 2022¹.

Additionally, the U.S. economy has also put pressure on employers to increase wages as the cost of consumer goods rose sharply in 2022 when inflation averaged approximately 8%, compared to 4.7% in 2021 and 1.2% in 2020². While, inflation appears to be coming down (3% as of June 2023) increased costs and higher than normal interest rates continues to challenge employers to offer competitive wages.

Lastly, Illinois' scaled minimum wage increases through January 2025 continues to effect wages. Minimum wage will increase to \$14/hour on January 1, 2024 and to \$15/hour an on January 1, 2025.

We can see the impact of these factors as the Library market continues to see higher than typical increase projections for 2023. Based on the current labor market and as we approach the mandated \$15 per hour

HR Source Salary Survey								
	Average Pay Increase Projections							
2018 2019 2020 2021 2022 2023								
2.6% 2.5% 2.4% 2.6% 3.7% 4.1%								

minimum wage, I predict that we will continue to see higher increase projections with the 2024 salary survey.

These factors in combination with the salary survey data have been analyzed to develop a salary plan that rewards staff in line with the Library market and continues to adjust the lowest grades of the pay scale to retain current staff and attract new talent. The secondary goal of this plan is to create a sustainable personnel budget during this anomalous economic time.

Current Staff Salaries Report and Updated Plan:

• Overall full-time equivalent (FTE) positons are as follows:

FY20	FY21	SY21	FY22	FY23	FY24 – proposed
50	48.5	48.5	48	48	48.5

- Headcount as of August 1, 2023: 68
 - o 26 full-time
 - o 42 part-time
- Open positions: 6
- Percent of current employees within percentile ranges described below are as follows:

	<94% Midpoint	95-105% Midpoint	>105% Midpoint
FY20 ³	59%	26%	15%
FY21	58%	25%	17%
SY21	26%	53%	21%
FY22	26%	53%	21%
FY23	33%	48%	19%
FY24 - proposed	34%	50%	16%

The FY24 plan shows an increase in staff at 95-105% of the midpoint. Since the development of the FY23 salary plan (August 1, 2022), the Library has undergone significant staffing changes as listed below:

o 3 current staff members experienced change (hours, title, pay rate)

¹ Illinois Department of Employment Security. https://ides.illinois.gov/resources/labor-market-information/laus/current-monthly-unemployment-rates.html. Last accessed July 28, 2023.

² US Inflation Calculator. https://www.usinflationcalculator.com/inflation/current-inflation-rates/. Last accessed July 28, 2023.

³ These percentages were based on 2020 Salary Survey data that was not aged.

- o 10 staff members have resigned
- o 12 staff members have been hired

The addition of 12 new staff members has resulted in an increase in percentage of staff at <94% of the midpoint for FY24 over the FY23 salary plan.

How this salary plan works to achieve goals set forth in the Library's compensation philosophy

- 1. Internal equity refers to the constant effort to ensure that pay is managed fairly across all employee pay ranges. Staff will be paid within the pay range for the pay grade of their position.
- 2. In determining an employee's rate of compensation within their assigned pay range, Administration may consider the employee's performance, contribution, education, experience, and the requirements for the position.
- To achieve these goals, I respectfully recommend \$98,270 in increases in the following areas:
 - o \$77,680 4% average merit pool increases
 - o \$14,600 for one-time merit bonuses
 - o \$5,990 merit adjustments based on updated pay grade/scale and minimum wage adjustments

Fiscal Year	Personnel	% of Budget
	Budget	Spent
FY20	\$2,400,000	90%
FY21	\$2,340,539	88%
SY21 - annualized	\$2,431,011	91%
FY22	\$2,379,160	94%
FY23	\$2,453,800	Estimated 95%
FY24 - proposed	\$2,548,000	

The proposed FY24 personnel budget is a 3.8% increase over the FY23 budget, approximately \$94,000.

If approved, this plan moves the Library toward achieving the goal for half the staff to fall into the 95-105% range based on data that has been updated for FY24. The compa-ratio for the Library would be 97%

- 3. Merit increases will be reviewed annually. Merit increases or one-time awards may be given to staff who demonstrate satisfactory job performance in their annual performance review and attain performance goals set forth in the prior year's annual performance review.
- In SY21, the Library implemented a new performance measurement tool designed to evaluate employees not only on a set of consistent day-to-day competencies, but by allowing managers to have conversations with their direct reports to set goals and benchmarks for achievement of those goals. As part of the annual review process, managers and their staff craft individual and department wide goals to be achieved during the upcoming fiscal year. The overall performance evaluation score is based on day-to-day performance as well as progress toward employee's goals.
- 4. The Library seeks to provide competitive salaries across all jobs—defined as sufficiently close to the median of the local library competitor market to continue to attract and retain superior staff.
- The attached FY24 grade and scale allows lowest grades (1-3) to hire at higher starting rates to accommodate upcoming mandated minimum wage increases and address compression of the middle pay grades to remain competitive in recruitment. Positions in these grades (the lowest) are consistently difficult to fill. We can expect our FY25 salary plan continue to address this issue, as the \$15/hour minimum wage mandate will continue to put pressure on the pay scale.
- In their most recent edition of Serving our Public 4.0 Standards for Illinois Public Libraries, the Illinois Library Association recommends that "the library compensates staff in a fair and equitable manner. Salaries alone

typically account for up to 60% of the total budget. Salaries plus fringe benefits (FICA, IMRF, and health insurance) account for up to 70%." The first draft of the FY24 budget would bring our salaries to an estimated 53% of total operating budget and total compensation to approximately 67%.

- 5. Individual employee's eligibility for benefits is dependent on hours worked, length of service, and other factors. Not all employees qualify for all benefits offered.
- 6. The Library seeks to ensure that benefits are offered and managed fairly across all positions.
- Last year, I stated that in the future, I would bring recommendations to the Board for how to offer additional
 benefits, in line with the Library market, to retain current staff and attract new talent. This year the Library
 Board approved increases to paid time off (PTO) accruals as well as paid paternal leave for half-time and
 full-time employees. The new PTO accrual system addressed inequities with the prior accrual system.
 Having paid parental leave will help us retain our highly qualified staff as well as be a tool in recruiting new
 staff.
- 7. The Library encourages employees in developing and maintaining competitive skill levels through support of training initiatives and learning opportunities, ensuring that necessary skill sets are developed. The Library endeavors to allow time and financial support to enable staff to attend approved training.
- The Library maintains a healthy staff training budget to support staff attend training, conferences, and other professional development opportunities. The Library closes to the public 1-2 days per year for all staff training on a variety of Library related topics.
- The Library also supports full-time Librarians by deferring costs for professional memberships, to either the American Library Association or the Illinois Library Association.
- In 2021, the Library Board approved adding a tuition reimbursement line to our annual budget "to provide an opportunity for employees to obtain additional education in order to increase their knowledge and abilities to prepare for future opportunities within the Library."

Recommended Motion:

- Approve Salary plan as presented, which includes \$98,270 in increases in the following areas:
 - o \$77,680 4% average merit pool increases
 - o \$14,600 for one-time merit bonuses
 - o \$5,990 merit adjustments based on updated pay grade/scale and minimum wage adjustments

Action Requested: For review and approval Subject: Teacher Card Policy

Background

In 2019, the Library adopted a Teacher Card Policy. This policy allows the Library to enter into contracts with schools, preschools, licensed day care facilities, and other educational institutions within the city limits of Park Ridge. During the 2022-2023 school year, the Library provided 123 library cards to Park Ridge teachers at 18 schools.

During this past school year, it became clear to us that we need to adjust the parameters of teacher cards to better support our preschool partners. Each level of education is unique in the way that they serve their students and, therefore, the way we as a Library can serve them varies as well. Unlike the elementary schools, most of the preschools do not have access to a school library, which means that we are their main source of books for use in their classrooms. Additionally, preschools house numerous classes of similarly aged children, which makes it more prudent for the teachers to share materials throughout the classrooms. As a result, the best way for us to support preschools is through large volume loans that are exchanged monthly. By increasing the card limit from 50 items to 75, we would be able to provide the necessary buffer to be able to meet the needs of the monthly loans. The Library has ample resources to support this increase and we do not anticipate having fewer materials available for the general public.

Recommended Action

1) We respectfully recommend that the Committee approve the proposed revision to the Teacher Card Policy at their August 8, 2023 meeting.

TEACHER CARDS

POLICY:

It is the policy of the Park Ridge Public Library to enter into contracts with schools within the jurisdictional boundaries of The City of Park Ridge to provide limited borrowing privileges to teachers who work at the school.

RULES:

- 1. The definition of "school" shall include public and parochial elementary and high schools as well as preschools, licensed day care facilities and other educational institutions within the city limits of Park Ridge.
- 2. A current letter of agreement between the Park Ridge Public Library and the school must be on file at the beginning of the school year.
- 3. Teachers who are eligible may apply for a school year Teacher Card by presenting identification that shows proof of employment no earlier than 10 days before the start of the school year, or September 1, whichever is earlier.
- 4. Teacher Cards issued for the current school year expire each year on June 1 or the last day of the school term.
- 5. A maximum of fifty seventy-five items may be checked out on a teacher card at any time.
- 6. The school is financially responsible for all lost or damaged materials and all outstanding overdue fines. Bills for long overdue items and outstanding fines will be sent to the school.
- 7. Cards issued by the Park Ridge Public Library remain its property and use of such cards may be revoked or suspended by the Library for failure to comply with appropriate Library policy.
- 8. Teacher Library Cards may only be used at the Park Ridge Public Library.
- Any teacher whose library card is lost and/or stolen must notify the Park Ridge Public Library immediately. The cardholder's maximum liability is \$50 on all materials checked out and not returned prior to notifying the Library.

Subject: 2023 Interior Renovations Project – Project Summary and Recommendation

Project Summary:

Bids were opened for the Interior Improvements project at 2:00 pm on Tuesday, August 1, 2023. The bid opening was facilitated by Mr. Andrew Dogan of Williams Architects.

Scope of Work:

Provide lintel support over five interior existing door openings. During the 2020-2021 Life Safety/Sprinkler project, it was discovered that the door openings below lack lintel support:

- First floor Children's Department washrooms (2)
- Second floor Adult Services Conference room (1)
- Second floor Business Office (2)

At that time, the Library Board decided to postpone the lintel project and package it with future renovations to the Children's Department washrooms to bring them into ADA compliance. These washrooms were not included in the scope of 2018 building renovation.

In September 2022, the Board authorized the Library Director to move forward with the lintel replacement as well as a renovation to the Children's Room washrooms. During discussion it was recommended and approved that one existing washroom in Children's be converted into a low sensory/wellness room. A low sensory/wellness room is a place where overwhelmed young patrons can go to take a break. Low sensory rooms are increasingly appearing in libraries as rooms designed for people on the autism spectrum or with sensory processing disorders. Such a space will help our patrons level out their feelings until they are ready to continue using the library or decide to head home. This space will be outfitted with tactile manipulatives, soft seating, and calming lights as well as a sink to allow for use as a mother's room.

In April 2023, the Library was awarded a \$50,000 Illinois State Library Live and Learn construction - remodeling for Accessibility grant.

Costs:

As per Illinois State Statue, the interior project was put out for public bidding in July 2023. The Library received seven bid responses. After screening the apparent low bidder, Williams Architects recommends that the Library award the project contract to Stuckey Construction for \$186,400. This amount includes the base bid of \$183,000 and alternate #2, installation of an ADA accessible water fountain and bottle filling station, for \$3,400. Please see the memo from Williams Architects for additional details.

Funding:

This project will be funded 75% from the Library's Capital Improvements budget (\$136,400) and 25% from the Live and Learn grant (\$50,000). \$91,916 was carried forward from FY22 for the lintel construction.

Recommend Motion:

• Award the 2023 Interior Renovations Project to Stuckey Construction of Waukegan, IL for the base bid amount of \$183,000 plus Alternate #2 in the amount of \$3,400 for a total contract award of \$186,400.

Re: Summary of Bid Analysis / Contractor Interviews
Park Ridge Public Library 2023 Interior Renovations Project - WA Project #2022-006b

Dear Ms. Bertucci:

Williams Architects administered the bid opening for the **Park Ridge Public Library 2023 Interior Renovations Project** on August 1, 2022. Seven general contractors submitted bids for the project. We are pleased to report that low bid results returned substantially under our most recent estimate of approximately \$269,500 for the scope of work that was bid. Please note that all bidders were directed to include a \$15,000 contingency allowance in their bids for handling of any minor unforeseen issues that may arise during construction.

A tabulation of the bid results is attached indicating the bid results and names and locations of the bidders. We reviewed the scope of the project with the lowest bidder, Stuckey Construction of Waukegan, IL. Their base bid amount is \$183,000. In a telephone interview with Brian Anderson of Stuckey Construction, it was confirmed that the bid is complete as submitted with no limitations or exclusions. When asked about the amount of their bid relative to other bids received, Stuckey stated that they will be able to substantially save on overhead and general conditions for the project because they have already been awarded a window repair and replacement project for the Library which will be occurring concurrently and supervised by the same superintendent. Stuckey Construction has completed numerous successful projects with our office as both a general contractor and construction manager; we attempted to check a reference provided for another recently completed library project by the contractor at Vernon Area Public Library and calls were not returned as of the date of this letter. They indicated the ability to finish the project in the time required and will provide the bonds and insurance required by the Contract Documents. Finally, Stuckey Construction is aware that the project requires prevailing wage with certified payrolls submitted with each pay request.

Based on our review of the bid and reference checks, we find no reason to believe that Stuckey Construction is not the responsive and responsible low bidder for the Project.

Two alternate bids were included in the project. The first alternate bid was to complete all shoring required for the lintels concurrently rather than sequentially, and the second is to provide and install a new bi-level drinking fountain with bottle filler outside the new restroom and sensory room. The shoring subcontractor stated that sequencing is not applicable to the pricing of their work, so Alternate #1 was indicated as not applicable. Alternate #2 was offered at a price of \$3,400, a fair and reasonable price for this work. Due to the project being under budget, we recommend acceptance of this alternate.

Therefore, subject to receipt of evidence of all required insurance coverage and payment/performance bonds as required by the Contract Documents, we find no reason why the contract for the Park Ridge Public Library 2023 Interior Renovations Project should not be awarded to Stuckey Construction of Waukegan, IL for the Base Bid amount of ONE HUNDRED EIGHTY THREE THOUSAND DOLLARS (\$183,000) plus Alternate Bid \$2 in the amount of THREE THOUSAND FOUR HUNDRED DOLLARS (\$3,400) for a total contract award of ONE HUNDRED EIGHTY SIX THOUSAND FOUR HUNDRED DOLLARS (\$186,400).

We further wish to note that we assisted the Library with a successful application for an Illinois State Library Live and Learn Construction Grant which will offset costs for this project by \$50,000 by virtue of the accessibility improvements being made with the remodeled restroom, sensory room, and drinking fountain.

We truly appreciate our continued relationship with the Park Ridge Public Library and look forward to working as your spirited partner to complete another successful project for the Library and the community it serves.

Sincerely,

Andrew R. Dogan, AIA, NCARB, LEED AP

Re: Contractor Interview – Stuckey Construction Company

Park Ridge Public Library Interior Remodeling 2023

WA Project #2022-006b

Date: 2 August 2023

By: Kyle Cunningham, Williams Architects

Meeting/Call With: Brian Anderson, Stuckey Construction.

Q: Is the bid complete as submitted?

A: Yes

Q: Is there anything not on the documents that you know you will need to do and that you have not accounted for in your bid?

A: Not anything that wasn't accounted for. Accounted for site logistics for the project such as floor protections, etc.

Q: Have you included the \$15,000 allowance required by the contract documents in your bid?

A: Yes

Q: Are you aware this is a prevailing wage project and that certified payrolls will be required?

A: Yes

Q: Are you a union contractor?

A: Yes

Q: Schedule review/concerns? What do the alternate items add/remove to your overall schedule?

A: Doors, frame, and hardware would likely take 10 weeks to turnaround and is the one lead time concern currently for the project.

Shoring all work areas at once vs area by area would not make a difference on the overall schedule, which is why it was not an add or deduct. The mason will be completing an area at a time so that would be the driving force behind the schedule.

No lead time issues known for a drinking fountain. Would need to talk to the plumbing contractor if there is any additional time for the drinking fountain but does not anticipate issues.

Q: How do you plan on staffing the project?

A: Peter, from their office will be managing both projects simultaneously as superintendent. He would be supervising both projects.

Q: Any concerns about the scope of work/materials specified?

A: No, they will just need to track down acoustic tile panels but shouldn't be an issue.

Q: How will the project be managed and staffed?

A: Superintendent would manage the trades on the project. Superintendent would take care of any manpower they need for demo and carpentry.

Q: Other comments/questions?

A: They wanted to confirm the site logistics. Confirmed that they would be able to bring in materials

through the front door and up elevator to second floor as needed. Let them know that the library is amenable to scheduling the work if notice is provided.

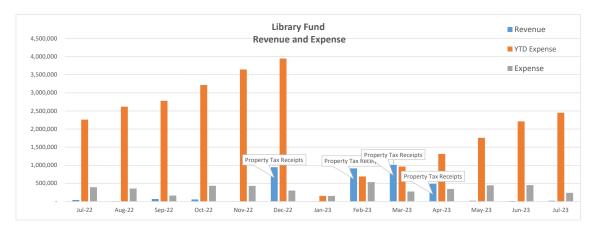

They believe that most of the reason for the low cost is likely because they will be able to simultaneously supervise the window façade project and interior remodel project. They plan on doing most of the demo themselves and using a mason that they use a lot on small scale projects. They do not have a lot of concern for the low cost.

Libraries -- havens of free informational resources like books and computer access -- now are expanding their repertoire by lending out a few less traditional items.

Some libraries now are working toward being environmental stewards.

As part of waste reduction efforts, the Solid Waste Agency of Cook County (SWANCC) recently awarded grants to Elk Grove and Park Ridge public libraries for sustainability projects, such as textile repair and energy efficiency programming.

"The idea behind that is to sort of try before you buy," said Laura Scott, the library's adult services manager. "It can also cut down on consumption -- someone can just use ours instead of having to purchase one."

The newest exploration item is a pro-grade thermal camera that can help homeowners find invisible holes in their energy efficiency. It also can help inspect electrical panels, find water damage and look for HVAC problems.

"One of the bedrocks of libraries is sharing resources," Scott said. "We share resources with many other libraries in our consortium, and if we don't own something, we can get it for you usually within a week. This is just a natural extension to try to expand that to more nontraditional items."

The FLIR ONE Pro smartphone camera, which goes for \$449.99 (https://www.flir.com/products/flir-one-pro/? vertical=condition%20monitoring&segment=solutions), was funded through the SWANCC grant.

The grant program offers around \$500 to schools and libraries looking to create or expand sustainability programming. Though the program has been around in schools for a decade, SWANCC expanded its application to libraries earlier this year.

Applications are accepted on a rolling basis.

"I wanted to look at it with fresh eyes to see how we can expand our efforts and our mission into the community," said Theresa Greinig, the agency's education coordinator. "Each of our communities have a library, and library staff knows so much better than I could guess what a patron in Evanston might be looking for in the library versus a patron in Palatine, for instance."

So far, Elk Grove and Park Ridge are the only libraries to receive grants.

Elk Grove Public Library used the funds to purchase a Brother sewing machine and mending kits to support its ongoing textile reuse efforts.

The library has eight existing sewing machines available for checkout or for use at the library. The machines support programming with the group Living Green in Elk Grove Village, whose patrons make reusable tote bags and cleaning cloths.

The items are upcycled from old fabrics and towels sourced for free from the village's Buy Nothing page on Facebook.

machine is that we'll be able to circulate that one for people to bring home and use."

Both libraries work with local environmental groups.

In Elk Grove, the library recently collaborated with The Friends of Cycling in Elk Grove to debut a new bike rack complete with an air pump and a "fix-it" station. In Park Ridge, the library puts on book clubs and other types of programming with groups like Go Green Park Ridge and the Park Ridge Garden Club.

"That's the important thing about libraries. We have people with all sorts of skill sets," said Rick Avalos, head of building and security services at Elk Grove.

Avalos has been working toward modernizing the more than 30-year-old library building to make it more energy-efficient and nature-friendly. That includes retrofitting the lights, composting food waste and creating more green spaces around the building.

"We definitely have been hearing a lot of good feedback from people who want to improve sustainability in general in the community. Being a part of that community, I want to make sure we're listening," he said. "Libraries in general are always receptive to when a community needs something."

Administration & Board

- On August Thursday, 10, President Thiagarajan, Vice President Hanba, and I hosted a Trustee Orientation meeting for Trustee De Frank.
- On August Friday, 11, President Thiagarajan and I met with City of Park Ridge Mayor Marty Maloney and City Manager Joe Gilmore to discuss the Library's Assumptions for City provided Services to the Library. Mayor Maloney is currently the City Council Liaison to the Library Board of Trustees.
- The Library received two Freedom of Information Act (FOIA) requests in July 2023:
 - o Requestor: Gerardo Mendez, Construction Analyst
 - Pursuant to the Illinois Freedom of Information Act (5 ILCS 140/1 et. Seq.), the Indiana, Illinois, Iowa Foundation for Fair Contracting (III FFC) respectfully requests the following regarding 2023 Exterior Improvements: Please provide copies of the bid tabulations.
 - o Requestor: Abra Richardson, Researcher, NBC5 Investigates
 - Please provide me with documents sufficient to show all communications (emails, letters, texts, board proceedings, or notes from phone calls) received by the Park Ridge Public Library that include a request to reconsider, ban, and/or challenge any book or any other material in your library. I am asking that these documents include the following:
 - 1. The date of each such request;
 - 2. The title(s) of each book(s) or other material that was requested to be pulled from your shelves;
 - 3. Any response (email, letters, texts, board proceedings, or notes from phone calls) from the library and/or library board, to each request;
 - 4. The final result of each request (i.e.: the book or material was removed completely; the book or material was partially restricted; the book or material remained and remains on the shelves; etc.).
 - Please also provide me with any documented threats that have been received by your library or library board, via email, letters, texts, or voicemail recordings, that are related to a book, or books, or other material, kept in your library. I am requesting all such material from January 1, 2013 to the present.

Staff Updates and Professional Development:

• Patron Services Manager Anastasia Rachmaciej interviewed four candidates to fill the Patron Services Coordinator position vacated by our new Assistant Patron Services Manager, Samantha Menard. Internal candidate, Laura Collins was promoted to this position. We are thrilled to support Ms. Collins in her new role.

- In July and early August, we welcomed Ms. Linda Lamm and Ms. Reilly Waters to our Youth Services Department. Ms. Lamm is our half-time early childhood associate and Ms. Waters is a part-time associate. In addition, Ms. Sarah Szeszol will be joining our Adult Services department as a part time Reference Librarian. We are very excited to welcome these new staff members to our team.
- All Library staff are in the process of reviewing the newly approved Employee Handbook.

Strategic Plan Update:

At the August 8 Committee of the Whole Meeting, the Library Board reviewed a Strategic Plan progress report. As part of that discussion, Trustees suggested adding additional metrics to some goals in an effort to measure the success of the plan. After speaking with members of the Management Team, we have added some additional metrics for 2024.

Initiative #2: Build up a strong workforce and local businesses

- Goal: Increase assistance to local small business establishment and development
 - o Metric for 2024: Engage with 4 local businesses whom the Library has not previously engaged.

Initiative #4: Develop civic education for an informed and engaged citizenry.

- Goal: Seek out partners and experts to create a civic awareness and engagement initiative that supports teens/young adults and adults.
 - Metric for 2024: Develop relationships with 2 new community partners

Strategic Plan Monthly Progress:

- Encourage individual growth and lifelong learning
 - The Library started a compost program for staff in response to our Strategic Plan goal to *lead green* as a convener, researcher, and public example. We have contracted with Collection Resource

 Compost Cooperative, who will pick up our compost bucket once a week. We will also be ordering a small compost container to offer at programs that serve food, to demonstrate that the Library is leading green. We are also looking into the options for responsibly recycling bubble-mailing envelopes.
- Build up a strong workforce and local businesses
 - The Youth Services department has collaborated with local businesses for our *On Tour with Ozzy* activity around Uptown Park Ridge.
- Align with strategy and set the stage for development
 - No activity in July
- Develop Civic Education for an informed and engaged citizenry.
 - Our Teen Advisory Board (TAB) met for the third time in July. This meeting included an in depth discussion of Lexile levels and the frustrations many kids face when forced to follow them strictly when making their reading selections. The group also worked on final edits for the Teen Loft logo, created shelf talkers for the Loft, contributed to an upcoming new booklist to feature Teen Picks, and

brainstormed ideas for the *Vote for Your Favorite* interactive display. The group will meet again in August before taking a hiatus during the school year. Teen Services Supervisor, Emily Fardoux, is brain storming ways to engage with group members throughout the school year.

Finance and Human Resources

- Finance and Administrative Services Manager, Alyson Doubek, and I met with Treasurer Rusk on August 2 to review FY23 actual guarter 1 and 2 expenditures, the three year levy forecast, and the FY24 draft budget.
- 2022 Second Installment Property Tax bills are due December 1, 2023. Prior to COVID-19, property tax bills were due March 1 and August 1.
- Ms. Doubek continues to be diligent in working with the City of Park Ridge to ensure our payroll and insurance
 entries are made to the general ledger. Since our meeting with the City Finance Director and Assistant
 Finance Director, communication has improved and the City has designated one member of the Finance team
 to liaise with the Library.
- During the August 8 Committee of the Whole, meeting Trustees had questions related to the HR Source salary survey. I have included pages from the survey report, which include the list and demographics of participating libraries.

Building and Grounds:

• Mr. Priala and Mr. Brzny are continuing to work with Comcast on the logistics for our fiber internet circuit upgrade.

Partnerships, Outreach and Advocacy

- Marking and Public Relations Coordinator, Jen Healy, and I represented the Library in the Community Tent at the Farmer's Market on July 29. We also represented the Library at National Night Out, sponsored by the Park Ridge Police Department on August 1.
- I was reappointed to the Illinois Library Association (ILA) Advocacy Committee for the July 1, 2023-June 30, 2024 fiscal year. This will be my third year serving on the committee.

Notable Programs, Collections, and Services:

- In July, we welcomed 74 patrons to enjoy *Classical Music for a Summer Evening* featuring pianist Jeffrey Wagner. This is the second of three scheduled musical performances for adults to complement our summer reading music theme. The Adult Services Department partnered with the City of Park Ridge Health Commission to present *Finding a Healthy Retirement Mindset* for 26 attendees.
- Our youth Summer Reading club sign ups and activity continue to be on par with our 2022 program. In September, the Board will receive a report on the 2023 program.

Respectfully Submitted, Joanna Bertucci August 11, 2023

2023 LIBRARY SURVEY INTRODUCTION

The 2023 Library Survey report has been compiled using data provided by 133 participating libraries who contributed data for 5,830 employees. This survey reports data for 63 unique library positions. We wish to thank the participating libraries who took the time to provide us with data.

The summaries and statistics contained within this report are effective as of March 1, 2023. Invitations to participate were sent out via email on March 7, 2023, to libraries in Illinois. Participants had the opportunity to participate online or via paper questionnaire by the extended deadline of April 28, 2023. Participants were specifically instructed to submit data from the pay period closest to March 1, 2023.

Rates used in our calculations are straight time pay and do not include overtime, shift differentials or any other incentives or variable pay components. All jobs are reported with hourly rates except for job 01- Library Director. That job is reported with annual rates that have been standardized to reflect a 40-hour workweek.

Please feel free to contact the Survey Department with any questions by emailing us at surveys@hrsource.org or contact:
